

# LEED DATA SHEET

**Structa Wire is proud to support all LEED project teams with products that will make valuable contributions toward earning points and credits for all LEED certification levels.**

The following Structa Wire products were assessed for LEED eligibility:

- Structalath II
- Structalath Twin Trac
- Mega Lath
- Structa Corner
- Structa VTruss Walls & Ceilings (Rib Lath)

Structa products are manufactured in Vancouver, Canada and our raw material is primarily sourced in Asia. All of Structa Wire welded wire products are manufactured from hot dipped galvanized low-carbon cold drawn steel wire. The steel used in all Structa Wire products range from 60%-80% recycled steel (comprised of 90% post-consumer and 10% post-industrial content).

## Structa Wire Green Building Program Performance Data Chart

Green Building Rating System	LEED Point Threshold				Structa Wire Support	
	Certified	Silver	Gold	Platinum	Credits	Points
LEED 2009 NC	40 - 49	50 - 59	60 - 79	≥80	1	2
LEED 2009 NCS					1	2
LEED 2009 NCR					1	2
LEED 2009 CS					1	2
LEED 2009 HC					1	4
LEED Homes Multifamily Mid-Rise (2010)	45 - 59	60 - 74	75 - 89	≥90	2	11

## Rating System Assessment with Associated Credits and Points

Rating System Assessments			
Rating Systems	Credit	Total Available Points	
LEED 2009 NC	MRc4: Recycled Content	2	Structa Wire's products could contribute towards 2 points available through 1 credit in LEED 2009 NC
LEED 2009 NC Schools	MRc4: Recycled Content	2	Structa Wire's products could contribute towards 2 points available through 1 credit in LEED 2009 NCS
LEED 2009 Retail	MRc4: Recycled Content	2	Structa Wire's products could contribute towards 2 points available through 1 credit in LEED 2009 NCR
LEED 2009 Core and Shell	MRc4: Recycled Content	2	Structa Wire's products could contribute towards 2 points available through 1 credit in LEED 2009 CS
LEED 2009 Healthcare	MRc3: Sustainably Sourced Materials and Products	4	Structa Wire's products could contribute towards 4 points available through 1 credit in LEED 2009 Healthcare
LEED Homes Multifamily Mid-Rise	MRc2: 2.2 Environmentally Preferable Products	8	Structa Wire's products could contribute towards 11 points available through 2 credit in LEED for Homes Multifamily Mid-Rise
	MRc3: Waste Management	3
